## Program Descriptions

Afterschool Programs	Afterschool Programs	Evening Programs
<p><u>Radical Science</u> In this program participants will enjoy a series of fun, hands on projects and experiments that will teach them basic science facts!</p>	<p><u>Park Adventures</u> (This is an <b>OFF-SITE</b> program) In this program we will be touring around the community every week, by walking, to see where all the “good” parks are. Park games such as tag, grounders and much will be played.</p>	<p><u>JUMP Math</u> (Grades 5 &amp; 6) This is a math literacy program that is designed to instill confidence in children and to increase success in school. This program is ran by a math tutor with our JUMP math program.</p>
<p><u>JUMP Math</u> (Grades 3 &amp; 4) This is a math literacy program that is designed to instill confidence in children and to increase success in school. This program is ran by a math tutor with our JUMP math program.</p>	<p><u>Creative Creations</u> This program will focus on the kids exploring their creativity. The kids will be able to create art work using recycled and “around the Club” type of materials.</p>	<p><u>Canadian Tire Jumpstart Jr. Baseball</u> (Grades 4 - 6) (This is an <b>OFF-SITE</b> program) Jr. Soccer for ages 9-12 is a round-robin league amongst the other 6 Club locations. Focus is on sportsmanship and skill development.</p>
<p><u>Falconridge Voice</u> The members of this program will get to design a monthly newsletter for parents. The articles will be chosen, written and/or drawn by the children.</p>	<p><u>All About That Paint</u> This program is all about paint! Kids will complete different projects and have the opportunity to develop their skills.</p>	<p><u>FamWe</u> (All Ages Allowed with an adult, 18+, present) Get together with your family outside of the house! Spend some time playing games, watching movies, baking cookies and much more!</p>
<p><u>Canadian Tire Jumpstart Get in the Game</u> This program will focus on keeping kids active. Kids will have an opportunity to play and learn a variety of different games. Please note that the grades 4 – 6 program on Thursdays is OFF-SITE and will return at 6pm.</p>	<p><u>Wide Games</u> This recreational program introduces a variety of field games such as camouflage, capture the flag, kick the can and many more.</p>	<p><u>Art Express</u> In this program members will explore art through a variety of mediums. Expect to try painting, drawing, dancing, acting and more!</p>
<p><u>Great Adventures</u> (this is an <b>OFF-SITE</b> program) This program has a strong emphasis on outdoor recreational activities. Members will have the opportunity to explore and discover the outdoors, recreation and culture.</p>		<p><u>Torch</u> This program will help tweens to be engaged with what's happening in their community. Torch helps kids develop leadership skills and self-esteem in a respectful, diversified environment.</p>
<p><u>If You Build It</u> This program will allow members to use their kinetic learning skills to build and develop creations. They will use Lego, blocks and every day objects to build creations.</p>
